TEMPORARY ROAD CLOSURE – BURLEIGH COUNTY UPDATE

April 28 Update: The spill has been cleaned up, and re-opened at 6:10 p.m.

LOCATION: Highway 14 - mile marker 11.5

On April 28, 2026, at approximately 12:33 a.m., a semi rollover occurred on Highway 14 near mile marker 11.5. The crash is blocking both the northbound and southbound lanes. The driver suffered minor injuries as a result of the crash and was transferred by ambulance to Sanford in Bismarck.

The semi's van trailer was hauling 8,000 gallons of Isopropyl Xanthogen Ethyl Formate in totes. This is an ongoing hazmat spill, with an estimated 3,000 gallons released.

Highway 14 will be closed in the area. Detours are in place at 149th Avenue NE and 188th Avenue NE, routing traffic east to 392nd Street NE. Motorists should avoid the area and use an alternate route. Additional information will be released as it becomes available.

The closure is expected to last throughout the day. The crash remains under investigation by the North Dakota State Patrol.
